**Grow 2-1-6™**

**Micro 6-0-0™**

**Bloom 0-6-5™**

Cutting Edge Solutions™ 3-Part Base Family system includes Micro 6-0-0™, Grow 2-1-6™, and Bloom 0-6-5™. The Base Family is formulated with the cleanest, highest quality mineral-based fertilizers available. We blend these products in small batches and take no shortcuts in achieving our goal; to offer a base nutrient array that is affordable, easy to use, and maximizes the growth potential of plants. Cutting Edge Solutions™ allows beginners to achieve professional results, and experienced farmers to achieve extraordinary results.

Cutting Edge Solutions™ products contain no artificial hormones or growth regulators, and no added dyes. Comparative testing shows that the Cutting Edge Solutions™ Base Family is extremely low in heavy metals.

With the Cutting Edge Solutions™ Base Family, toxic salt syndrome is a thing of the past, just healthy plants and heavy harvests.

Cutting Edge Solutions™ 3-Part is developed for use with a wide range of water sources and growing methods, from deep-water culture, conventional soil, indoors and out. Cutting Edge Solutions™ 3-Part is the foundation of nutrients for healthy and prolific plants.
