

SECTION 1: PRODUCT AND COMPANY IDENTIFICATION**PRODUCT NAME: PLANT AMP**

SDS#

PLANT AMP [5]

Trade Name:

Plant Amp

Formula:

Mixture, proprietary

Manufacturer's name:

Cutting Edge Solutions, LLC

1572 Hampton Way

Santa Rosa, CA 95402

Phone: 707-528-0522 Monday-Friday 8:00 a.m.-6:00 p.m PST, general information

Fax: 707-528-0422

Poison Control:**1-800-222-1222****TDD:****1-800-972-3323****SECTION 2: HAZARDS IDENTIFICATION**

Routes of entry: Skin: √ Eye: √ Ingestion: √ Inhalation: √

EYE-May cause slight irritation.

SKIN-Prolonged exposure may cause mild skin irritation.

-A single, prolonged exposure is not known to result in the product being absorbed through the skin in harmful amounts.

INGESTION-Material may cause gastric disturbance if swallowed.

INHALATION-Material can cause irritation to eyes, nose, throat, and lungs if aerosolized.

Medical conditions or medications generally known to be aggravated by exposure to product: None known.

Frequency and duration of exposure: Not known.

Effects of overexposure: None known

CARCINOGENECITY:

NTP: Not listed.

IARC: Not listed. NTP: Not listed.

OSHA: Not listed.

AICGH: Not listed.

This product is not considered a hazardous material as defined in the California State Health and Safety Code, as defined by Section 25501, per the definition of "Hazardous Material." This product does not pose a significant present or potential hazard to human health and safety or to the environment if released into the workplace or environment. This product does not contain radioactive material.

SECTION 3: COMPOSITION

Components

Calcium chloride

CAS No.

Proprietary

SECTION 4: FIRST AID MEASURES

- EYES:** Immediately flush eyes with water for 15 minutes. Contact a physician.
- SKIN:** Wash areas of contact with water for 15 minutes. Remove any contaminated clothing and footwear and wash clothing and footwear before reuse. If irritation continues consult a physician.
- INGESTION:** If swallowed do not induce vomiting. Consult a physician immediately. Never give any liquids by mouth to an unconscious person.

INHALATION: Move to fresh air. Obtain immediate medical attention if symptoms occur.

Use proper hygiene practices when using this product (nitrile gloves, eye protection, NIOSH approved respirator if used as an aerosol).

Utilize protective clothing to minimize skin contact (long sleeved shirt, pants, no shorts, no cut T-shirts).

Wear closed-toed shoes (no sandals/flip-flops) when using product.

Keep hair pulled back and out of face/eye area when using product.

SECTION 5: FIRE FIGHTING MEASURES

- Flammable properties:** Not available
- Extinguishing media:** Water, CO₂. Caution: CO₂ will displace air in confined spaces and may cause an oxygen deficient atmosphere.
- Special firefighting procedures:** Not available
- Unusual Fire and Explosion Hazards:** Not available
- Protection of Firefighters:** Burn vapors may be irritating to eyes, skin, and the respiratory tract. Firefighters should utilize self contained breathing apparatus (SCBE) and full fire fighting gear (Bunker gear).
- Stability:** Stable at room temperature.
- Incompatibility (materials to avoid):** Strong bases-pure vinegar, glacial acetic acid.
- Hazard decomposition or by products:** Decomposing plastic fumes from containers.
- Hazardous polymerization:** Not available
- Conditions to avoid:** Do not store above 100° F as container may rupture.

See SECTION 9: PHYSICAL AND CHEMICAL PROPERTIES for Flammable properties.

CONTINUED ON NEXT PAGE

SECTION 6: ACCIDENTAL RELEASE MEASURES

Use personal protection recommended in Section 8. Contain and isolate any hazard area from unprotected personnel.

Spill response procedures: Absorb liquid spills with and absorbent; contain material and dispose of at an approved landfill in accordance with local, state, and federal regulations. Finish cleaning by spreading water on contaminated surfaces and dispose of in an approved landfill in accordance with local, state, and federal regulations.

Clean water act requirements: Not available

Resource Conservation and Recovery Act: Not available

SECTION 7: HANDLING AND STORAGE

Precautions: Keep container away from heat sources. Do not ingest. Do not breathe vapors. Do not pour on skin. If ingested, seek medical advice immediately and show the container or the label on the container. Store away from incompatibles such as oxidizing agents.

Storage: Store away from incompatibles such as oxidizing agents. Store out of direct sunlight. Store in a cool, dark place that is well ventilated. Keep container closed when not in use.

SECTION 8: EXPOSURE CONTROLS

Engineering controls: Use with local exhaust ventilation, or other engineering controls to keep airborne levels below exposure limits. If usage results in the generation of fume or mist, use adequate ventilation to keep exposure to airborne contaminants below exposure limits.

Personal Protection: Wear protective safety glasses, lab coat or apron, dust respirator and gloves when handling.

Respiratory protection: Wear NIOSH approved N-95 respirators if applying as a mist or spray.

Ventilation: Use with adequate ventilation.

Protective gloves: Use with Nitrile gloves. Latex gloves can cause allergies in susceptible individuals.

Eye protection: Use with safety glasses or goggles.

Other protective clothing and equipment: Protective clothing to minimize skin contact should be worn. Wear closed-toed shoes when using product. Keep hair pulled back and out of face/eye area when using. Wear long sleeve shirts, pants, and socks. Wash contaminated clothing separately before wearing again.

Wash thoroughly after handling and before eating, drinking, or smoking.

Exposure limits:

Components	CAS No.	ACGIH/TWA	OSHA PEL/8hrTWA
------------	---------	-----------	-----------------

Calcium chloride	Proprietary	Not established	Not established
------------------	-------------	-----------------	-----------------

SECTION 9: PHYSICAL AND CHEMICAL PROPERTIES

Appearance and odor: Liquid, amber brown in color. Odor characteristic of decomposing guano.
Boiling Point: Not available
Solubility in Water: Soluble in water (w/w)
Vapor pressure: Not available
Melting Point: Not available
Molecular Weight: unknown
Specific Gravity: Not available
pH: 3.0
Evaporation Rate: Not available
Flash Point: Not available
Flammable limits: **LEL:** Not available **UEL:** Not available

SECTION 10: STABILITY AND REACTIVITY

Stability: The product is stable.
Instability Temperature: Avoid freezing. [See section 5 Fire Fighting Measures, on container properties]
Incompatibility with other substances: Reactive with oxidizing agents.

SECTION 11: TOXICOLOGICAL INFORMATION

Routes of entry: Skin. Eyes. Ingestion. Inhalation.
Toxicity to Animals: Unknown. Do not permit domestic animals to consume product. If consumed, do not induce vomiting. Contact veterinarian immediately.
Chronic effect on Humans: Not available
Other toxic effects on humans: Hazardous in case of skin contact (irritant), of ingestion, of inhalation.

SECTION 12: ECOLOGICAL INFORMATION

Ecotoxicity: Not available
BOD5 and COD: Not available
Products of Biodegradation: Short term degradation products of a hazardous nature are not expected.
Long term degradation products of a hazardous nature are not expected.
Heavy metals content: None. Information on heavy metals content and levels are available at <http://www.aapfco.org/metals.htm>

SECTION 13: DISPOSAL CONSIDERATIONS

Waste disposal: Waste must be disposed of in accordance with federal, state, and local environmental control regulations.
Recycling: Triple rinse container and recycle empty containers at appropriate recycling facilities in accordance with federal, state, and local environmental control regulations.

SECTION 14: TRANSPORT INFORMATION

DOT Classification: Not a DOT controlled material in the United States of America.
Identification: Not available
Special provisions for transport: Keep containers closed and keep from freezing.
Do not store above 100° F.

SECTION 15: REGULATORY INFORMATION

Federal and State Regulations:

While this material is not considered hazardous by the OSHA Hazard Communication Standard (29 CFR 1910.2000), this MSDS contains important information critical to the safe handling and correct usage of the product. This MSDS is intended for use by employees and other users of the product and should not be discarded.

California Safe Drinking Water and Toxic Enforcement Act of 1986:

This product contains the following ingredients known to the State of California to cause birth defects, cancer, or other reproductive harm and require a warning under the statute: NO products were found.

TSCA: All ingredients are on the inventory or exempt from listing.
SARA Title III Rules
Section 313 Toxic Chemicals: None
Section 302 EHS: None

International Regulations: This product is not currently sold outside the continental United States of America.

WHIMS: Not Applicable
EINECS: Not Applicable
METI: Not Applicable
KECL: Not Applicable
AICS: Not Applicable

SECTION 16: OTHER INFORMATION

Note to the reader

This Safety Data Sheet is applicable only to the material as packaged. This product contains chemicals and all chemicals may pose unknown hazards and should be used with utmost caution. The information and recommendations contained herein are represented to be in good faith, and believed to be as accurate as possible within the current version of this Safety Data Sheet (SDS). If this product is mixed with any other materials and/or chemicals, deteriorates, or becomes contaminated with microbiological or chemical agents, it may pose hazards not listed or discussed in this SDS. It is the end users responsibility to insure proper procedures are developed and adhered to when utilizing this product. This includes utilizing proper personal protection equipment, proper handling, and usage protocols based on the end users actual usage of the product. While his SDS is based on technical data determined to be accurate, and created in good faith, CES assumes no responsibility for the completeness or accuracy of the information contained herein. Cutting Edge Solutions, LLC (CES) makes no representation as to the completeness or accuracy of this SDS. In no event will CES or the seller be liable for consequential, incidental, special, exemplary, or indirect damages resulting from the use of this SDS.
